summerschool@tilburgunive such as Dutch, English, or Spanish. Popular courses like International
rsity.edu Entrepreneurship and Philosophy are also offered. By participating in
 one the courses, students can obtain a number of official credits (3-12

beautiful international experience.

Finally, I would like to refer to the favourable and attractive location of Tilburg University in Western Europe. Thanks to the great accessibility options near Tilburg, Tilburg is a perfect starting point to travel through Europe.
